# About Project Transformation

Project Transformation's mission is to transform communities by engaging children, college-age young adults, and churches in purposeful relationships.

That happens through two key services. First, PT provides leadership development and ministry exploration opportunities for college-age young adults through summer internships. PT also facilitates community-oriented summer day camp programs for children. PT's programs focus on enriching the body, mind, and spirit by placing a unique emphasis on literacy and social-emotional learning. During the summer, each child is paired daily with a volunteer to read one-to-one. Programs are strategically housed in churches in the heart of communities that are under-resourced.

# About Our 2024 Luncheon

## When

Tuesday, March 12, 2024  
12pm - 1pm

## Where

St. James United Methodist Church  
321 Pleasant Valley Dr.  
Little Rock, AR 72212

## Who

In the first year, Project Transformation hosted 75 local community leaders and professionals.. All guests are invited by one of our board members, community champions, and other PT advocates.

## What

A one-hour fundraising luncheon to share our mission and impact, while inspiring people to support our work

# What to Expect

The goal of this event is to raise awareness of our work within the community and raise funds for our future impact. We share the “why” behind our organization (the need we are seeking to address), our vision for the future, and testimonials from those who have been impacted by our work. Then we invite guests to consider how they might be involved.

Like all of our fundraising, this event is mission-driven and highly impactful. We focus on sharing the stories of our children, college-age young adults, and communities. We take great pride in our work, and we will make you proud to be involved with such an organization.
