

## **Serve with Project Transformation North Texas!**

*Support young lives in our community this summer.*

**Purchase 50 “summer camps in a bag”** in partnership with Toy Maven. We will distribute pre-packaged supply bags to children two times throughout the summer at our Project Transformation site churches. Now more than ever, children need resources to nurture their mind, body, and spirit while they are out of school and at home during this public health emergency. Complementing these supply bags will be virtual literacy and social-emotional activities created by Project Transformation for our students to access online throughout the summer. The cost of one summer camp in a bag is approximately \$25. You will be matched with a site church once your Partner Church Commitment form is received. (One in June and One in July)

**Build 100 household supply bags** to be distributed to families once a month at our Project Transformation site churches. During these uncertain times, we hope to provide basic household supplies to families to help ease the economic burden that they are facing. Items include paper towels, toilet paper, hand sanitizer and liquid laundry detergent. You will be matched with a site church once your Partner Church Commitment form is received. (One in June and One in July)

**Volunteer to distribute food and supplies** at our site churches this summer. Monday through Thursday, Project Transformation will distribute a grab-and-go meal, as well as program and household supplies to students in our program. Two to three in-person volunteers are needed Monday-Thursday to sanitize, organize, and distribute supplies, Monday - Thursday. Local health guidelines will be followed. Volunteers must sign a waiver and be willing to have their temperature taken at arrival in order to serve. (Monday-Thursday, 10am-2pm, June and July)

**Pray with Project Transformation North Texas**, whether or not you are able to serve directly with us. We invite you to join us in surrounding our children, young adults, staff, and churches with prayer. Follow our 8-week Prayer Guide to pray for God's transformative power to move this summer.
