

**Bilingual Booklist:** Spanish-English bilingual books will support readers who are learning each language. Providing books in both Spanish and English helps to support the diverse needs of the PT community.

**Advent Outreach: Curated Book List Catalog**

Project Transformation's curated book list has four categories. Each of the categories focuses on a high need area of site church libraries. By purchasing titles from this list, you are supporting children in building their skills and confidence as readers. Complete the enclosed order form and turn it in with your payment method to the church or scan the QR code above (with your phone's camera) and order online.

**Read Together Booklist:** The We Both Read series is designed for grown-ups and children to sit together and share reading responsibilities. The grown-up reading pages contain high-interest content while the child reading pages support vocabulary building and comprehensions skills.
