

## **1<sup>st</sup> Sunday in Advent, November 28, 2021**

The Bible is a collection of books and these books, like many of the books we read today, are divided into chapters. But unlike the chapter books we often read, in the Bible, the chapters are then divided into numbered verses. This gives us an easy way to locate specific sentences, quotes and teachings but is visually different than other books we read. In the Focus Verse below, we know to look in the book of Jeremiah for chapter 33 and then for verse 14.

Focus Verse: Jeremiah 33:14 The days are surely coming, says the LORD, when I will fulfill the promise I made to the house of Israel and the house of Judah.

What does the fulfillment of a promise mean to you? How does Advent help you get ready for the future and what God has in store for you?
