

## **Summer 2024 Young Adult Intern Interview Questions**

PROJECT TRANSFORMATION RIO TEXAS DOES NOT DISCRIMINATE AGAINST ELIGIBLE PARTICIPANTS BECAUSE OF SUCH FACTORS AS RACE, COLOR, NATIONAL ORIGIN, SEX, SEXUAL ORIENTATION, GENDER IDENTITY, AGE, DISABILITY, RELIGION, OR POLITICAL BELIEFS.

These questions may be asked during a prospective intern interview and are designed to assist in preparation for Project Transformation Rio Texas' application process. Our goal is for interviews and community connections with potential interns to inspire courage and confidence rather than leaving interviewees with any "gotcha" experiences. Answers to these questions can be prepared ahead of time or used as a framework for spontaneous answers during an interview. Overall, PT Rio hopes that all who interview with us leave having learned more about themselves and their sense of vocation, community engagement, and holistic development along with strengthened relationships. If you have any questions, concerns, or required accommodations regarding the interview process, please email our Recruitment & Connections Director at [trent@ptriotexas.org](mailto:trent@ptriotexas.org). We look forward to getting to know you!
