

Instructions for Intern Lunches and Encouragement

By providing lunches and other forms of encouragement for interns, our partner churches provide both physical and spiritual nourishment for young adults who have committed to a summer of service.

Lunches (Monday-Thursday) **Needed in Clarksville, Memphis, and Rutherford County only.*

- It is easiest for our scheduling purposes if partner churches provide intern lunches during their virtual reading week. Please contact Taylor at davenport@pttennessee.org to confirm you are able provide lunches during your reading week, or to sign up for a different week.

- Please drop off the following items at the host church on the Monday morning of your week between 8:45am and 9:15am:

- 3 loaves of bread
- Jar of peanut butter
- Jar of jelly
- Pack of ham (12+ slices)
- Pack of turkey (12+ slices)
- Pack of cheese (24+ slices)
- Assorted individual chip bags (21+ bags)
- Fruit- apples, oranges, bananas, plums, or pears (21+)
- Ziplock bags (21+)
- Brown paper bags (21+)

**A weekly volunteer at the host church will make the intern sandwiches fresh each day.*

- Volunteers dropping off lunch supplies must wear a mask and meet the Site Coordinator outside to drop off the food. The Site Coordinator's phone number will be provided on GivePulse.

Other forms of encouragement

- We would love if you offered encouragement to the young adult interns during your reading week!

- Here are a few ideas: encouraging notes, written prayers, sweet treats, gift cards, a catered meal on Thursday at 3pm to say, "job well done!" for a hard week of work...and more! Feel free to get creative. Our partner churches know how to show love!
