## SPONSORSHIP OPPORTUNITIES

### Project Transformation Golf Tournament - Friday, May 12, 2023

Project Transformation will be hosting our 3rd Annual Project Transformation Golf Tournament at Old Fort Golf Course! This will be a scramble format with a “shotgun start” at 1pm, and the tournament is limited to 32 teams to keep play moving and fun. Before the tournament at 12pm will be lunch and a program, and following the tournament, there is an after party with food and the prizes ceremony.

Our golf tournament has had more than 30 sponsors and 20 golf teams since it's start in 2020. 2020 and 2021 sponsor logos and names were shared through emails to a list of more than 500 people and social media posts to more than 2,000.

The 3rd Annual Golf Tournament has a wide variety of ways for your organization to sponsor while supporting Rutherford County's kids. Whether you will be golfing on your own, bringing your own team, or sponsoring the event, this is going to be a fun afternoon supporting so many kids in Rutherford County.
