

## VIRTUAL VOLUNTEERS

- Virtual Volunteers will sign up on [Givepulse](#) for a time and date to read and connect with kids during our PT Circles.
- After a volunteer signs up, they will be sent a background check form and information. Volunteers will need to pass a background check before they can participate as a Virtual Volunteer.
- Once the volunteer passes the background check, they will receive a link through Zoom or Webex for the appropriate PT Circle.
- A PT staff member and volunteers will join the children at the time of the PT Circle. Each circle will include a check in with the children and a book read aloud by the volunteer. We may make special requests for books but we ask volunteers to share one of their favorite age appropriate books with the kids.
- We ask for grace with technology and for our kids. Our hope is we will have a large percentage of our kids participate but also have to realize that not all children will have adequate and stable access to the internet or technology to access the internet.
